Filed : October 25, 1999

AMENDMENTS TO THE SPECIFICATION

Please revise the paragraph beginning at page 1, line 7, as follows:

--This specification includes a computer program listing appendix submitted on two identical compact disks containing a partial source code listing of a preferred embodiment of the invention, ~~attached as Appendices A, B, C, D, and E.~~ Each compact disk contains the following text files, which were created on May 24, 2004, and which represent, respectively, Appendices A-E of the present application: AppendixA.txt (14.9 Kbytes), AppendixB.txt (5.69 Kbytes), AppendixC.txt (9.33 Kbytes), AppendixD.txt (5.42 Kbytes), and AppendixE.txt (3.6 Kbytes). These materials form a part of the disclosure of the specification, and are incorporated by reference herein. The copyright owner has no objection to the facsimile reproduction of this code listing as part of this patent document, but reserves all other copyrights whatsoever.--

Please cancel pages 44-72 (Appendices A-E).

Please add the computer program listing appendix contained on the two enclosed CD-ROMs.
